

# BX CAUDALIE ECO 75 CL

## PREMIUM

A variation on a classic and highly distinguished crafted model (the Bordelaise Apparat), the shape of the Bordelaise CAUDALIE ECO totally rejuvenates the style through lightweighting (500g) and a reduced body diameter. The singularity of the shoulder form is thus shown off to full advantage, as is the neck with its generous diameter and its square finish. As a result of its reduction in weight, the CAUDALIE ECO has an attractive price positioning which makes it good value for money.

La Bordelesa CAUDALIE ECO ofrece una versión estilizada y rejuvenecida del modelo APPARAT. Este clásico de gran calidad se renueva y gana ligereza (500g) gracias a un diámetro de cuerpo reducido, unos hombros singulares y un cuello con una boca cuadrada. Otra contribución de dicha reducción de peso : su posicionamiento de precios atractivo.
